Dance Attire

All students at our studio are required to wear proper dance attire and dance shoes during all classes. If a student does not have proper shoes or attire the studio/teachers will ask the student to observe only, until proper attire is worn to classes. Students can not begin classes until proper attire, shoes and hair is worn, and all fees are into the studio.

You will be informed upon registration what attire you will need for classes and what skill level and age group you belong in.

Brand New To Dance?

Choosing classes of any sort for your child or yourself is a very hard decision when there are so many places and activities to choose from. Are they all the same? We know for a fact they are not and the decision is ultimately yours. Cost may be a factor for you...but what about choosing "quality" versus "quantities". Let us give you points on how to choose a studio that's right for you.

Questions to ask:

- Are the instructors qualified adult professionals?
- Are the classes small in student numbers?
- Is your child with his proper age group for proper learning growth curves and retention?
- Where is the studio located, accessibility?
- What kinds of upgrading and progression can your child look forward to?
- How long is the recital/ commitment, what extras are involved that you may not know about?

Here at Rhythm Dynamix we'll show you a comparison:
Qualified Professional Adult Instructors
